

Notes of the Meeting of the Aboyne Local Learning Partnership on the 15th of April 2021

Via Teams at 10am

Present: Mark Mardell, Natasha Pawlukiewicz, Steve Russell and Susan McGregor

Apologies: Shona Park, Christine Stidolph, Hayley Lockerbie, Aileen Longino and Barry Drennan

Due to Easter holidays, there has been a number of apologies. The focus of the meeting was subgroup updates and the Community Learning Development Plan consultation

Sub-groups

Financial Literacies – meeting held in February to look at Cost of the school day and sharing information in relation to support to children and their families in their local community.

Digital Literacies – subgroup have meet and looked at a community-based project building on the skills and experience. It was agreed by the subgroup to liaise with CD staff.

Health and Wellbeing – holiday recovery programme consultation is now out, and is aimed at children, young people and their families

Community Learning Development Plan

The CLD plan is not a CLD service plan and is a requirement of the local authority to produce every 3 years with CLD partners and providers. There are links for partners to use to target currently engaged community members and for individuals who are not currently engaged in the community or with partners. The target for the partnership is 30 responses.

Susan will send out the links to the partners

Date of the next meeting is the 17th of June at 10am via Team.
