## Agenda items

|   | Item  | Action  |
|---|---|---|
|   | <p><b>Welcome and Introductions</b></p> <p>Ed introduced himself as the new CLD support for the Banchory learning partnership. As the group hadn't met for a while it seemed important to have a meeting before the summer holidays. Another meeting, which more people will hopefully be able to attend, will be held in late August/early September</p>   | <p>Ed to organise meeting</p>                   |
| 1 | <p><b>Subgroup updates</b></p> <p>4 subgroups were formed at the previous meeting in November:</p> <ul style="list-style-type: none"><li>• internet safety for older people</li><li>• volunteering</li><li>• employability</li><li>• anxiety amongst children and young people.</li></ul> <p>There were no updates on these subgroups. Ed to find out what stage subgroups are at. It was agreed that these remained priority areas and would be returned to at the next meeting.</p> | <p>Ed to look again at any subgroup updates</p> |

|   |   |  |
|---|---|--|
|   | <p>Emma mentioned really useful new online digital resources for mental health for young people and adults.</p> <ul style="list-style-type: none"> <li>• Kooth</li> <li>• Together All</li> </ul> <p>Importance of promotion of these was discussed and also possibility of them being available through an app.</p> <p>Emma also mentioned that they are looking to run cookery skills courses for older and vulnerable people with a pilot in Stonehaven but also looking at Banchory. Although the aim is to run these face to face there may also be online delivery. Looking at internet safety may be an important part of this.</p> <p>Pam said that there has been really good volunteer involvement in the vaccination centres, including at Banchory sports centre. Once the vaccination programme begins to run down it would be worth linking in with them in terms of making them aware of other volunteering opportunities.</p> | <p>Emma to speak to Carolyn Lamb who is leading on this.</p> <p>Pam to look at this.</p> |
| 2 | <b>Membership review</b>  |  |
|   | <p>It was agreed to look at broadening community membership of the group.</p>   | <p>Emma to talk to Men's Shed; Ed to talk to BDI and No 1.</p>                           |
| 3 | <b>Partner updates and further information</b>  |  |
|   | <p>Clare updated on some funding and other information which may be of interest to partners. This has already been sent out straight after the meeting.</p>   |  |
